

DELTA DENTAL PPO®

UNLEASH YOUR SMILE POWER™

Why Go PPO

You may visit any licensed dentist, but you will save the most money by visiting a PPO dentist. That's because PPO dentists agree to accept lower reimbursements for services.

Find A Dentist

It's easy to find a Delta Dental dentist near you with our provider search tool at deltadentalaz.com or in the Delta Dental Mobile App.

Easy Benefits Coordination

If you're covered under two plans, ask your dentist to include information about both plans with your claim, and we'll handle the rest.

No ID Card Necessary

Just give your dental office your name and member ID. Don't know your member ID? Pull up an electronic ID card on your smartphone at the dentist's office by logging in to the Delta Dental Mobile App.

Download The Mobile App

Access your benefits and view your ID card on-the-go with the Delta Dental Mobile App. It's free for Android and iOS!

Understand Common Dental Terms

It's our goal to make your benefits simple to use and easy to understand. Here are some common terms defined:

- **Annual Maximum** – The maximum dollar amount Delta Dental will pay toward the cost of dental care within a specific benefit period.
- **Deductible** – The amount you pay for covered dental services before Delta Dental begins to pay.
- **Coinsurance** – The percentage of dental care expenses you pay after your deductible.
- **Predetermination** – A pre-treatment estimate that helps determine the cost of a recommended dental treatment.

¹ Applies only to procedures covered under your plan. If you began treatment prior to your effective date of coverage, you or your prior carrier will be responsible for any costs. Group-specific and other exceptions may apply. Enrollees currently undergoing active orthodontic treatment may be eligible to continue treatment. Refer to your benefit booklet for specific details about your plan.

DENTIST PAYMENTS

The Delta Dental PPO plan leverages the PPO network. While members can see any licensed dentist, they'll have the lowest out-of-pocket costs when they see a PPO dentist.

- PPO Dentist -- These in-network dentists agreed to accept lower reimbursement for services so members save the most money.
- Premier Dentist -- These in-network dentists also accept discounted reimbursement for services, but their discount is not as steep. Members can be billed for the difference between the PPO dentist fee and the Premier dentist fee.
- Out-of-Network Dentist -- These dentists have not agreed to discount their rates for service, so members who see an out-of-network dentist will have the highest out-of-pocket costs. Members are responsible for paying the full fee charged by the dentist and can submit for reimbursement at the non-participating table of allowance.
