\*Only certain prescription drug products are available through mail order.

**IMPORTANT:** An Ancillary Charge may also be applied for a higher cost medication when an equivalent lower cost alternative is available. This additional charge is the difference in price between the two medications and does not apply towards the Out-of-Pocket Limit.

## Plan Notes:

- \*For Minor Lab services done within the Designated Network, you pay nothing. A deductible does not apply.
- An additional Per-Occurrence Deductible (POD) will apply for certain services when done in a hospital setting. This POD does not apply to services obtained in a free-standing facility.
- Pay lower office visit copays when seeing a Premium Designated/Tier 1 provider. Learn more about the UnitedHealthcare Premium Designated Program at [www.welcometouhc.com/tier1](http://www.welcometouhc.com/tier1)
